	Government	Civil Protection	International press	
Government Request International assistance	No			
Brief description of the situation	<p>Italian authorities declared a state of emergency in Sardinia on Tuesday, a day after a cyclone struck the Mediterranean island, killing at least 16 people and leaving hundreds homeless. Overnight, Cyclone Cleopatra dropped 450 millimeters of rain in an hour and a half, causing rivers to burst their banks, sweeping away cars and flooding homes across the island. Hundreds of people across the Sardinia island were evacuated from their homes.</p>
